# Matrox Imaging Software Maintenance Programs >>>

## »» Matrox Imaging Software Maintenance Programs

### First year of the program is free

The purchase price of MIL<sup>1</sup>, MIL-Lite, Matrox FDK<sup>2</sup>, Matrox Odyssey SDK/DTK and Matrox Design Assistant gives registered users automatic enrollment in their software's respective maintenance program for one year<sup>3</sup>.

### Includes free software updates and technical support!

These maintenance programs entitle registered users to free software updates and technical support from Matrox Imaging's highly qualified technical staff.

### Maintenance program extension

Registered users will be notified by Matrox Imaging (or their local representative) at least 90 days prior to the expiration of their software maintenance program. They will be asked to pay a renewal fee, which will allow the program to be extended without interruption for another year.

## »» What benefits do the maintenance programs provide?

### Access to the industry's most advanced development software

Software upgrades are a result of Matrox Imaging's commitment to continuously enhance these libraries. Each software release offers performance improvements over previous versions with the optimization of existing functions, the implementation of fixes and the addition of new functions based on customer feedback. Regular releases also ensure that the software is compatible with the latest development environments, operating systems and platforms.

### Quality technical assistance

Matrox Imaging's team of vision specialists is committed to providing our developers with the assistance needed to take applications from concept to completion. Our front line support group is available to answer installation questions and provide immediate troubleshooting assistance, while our engineers and scientists are ready to guide customers through the design, development and deployment phases of their projects. Technical support is also available through local Matrox Imaging representatives.

*Software maintenance programs are only available to registered users, so remember to visit **[www.matroximaging.com](http://www.matroximaging.com)** and register on-line! It only takes a moment.*

1. As well as unlimited edition.
2. Altera® Quartus®II support and updates are not included in the Matrox FDK maintenance program.
3. A customer's first year on the maintenance program begins from the software's original date of purchase.
